

Our Name

National Spiritual Day = 7

National Spiritual Day adds up to Destiny Number 7. This is no surprise because 7 is the number of SPIRITUALITY!! 7 is the mission of “The Seeker” that guarantees a journey of personal growth, greater self-awareness and discovering one’s spiritual truth. 7 also encourages us to uncover the secrets and mysteries of the Universe and the unseen world, to find answers to the BIG questions such as, “Who am I?”, “What am I?”, “What is my life purpose?” and “What is the purpose of life?” There’s no such thing as an accident or coincidence in the Universe and there couldn’t be a more perfect Destiny Number for National Spiritual Day!

The Date Each Year - 22 September

22 = 22/4

The day of the 22nd is the energy of the Master Number 22/4 – the “Master Builder” or “Master Architect” that bridges the material and spiritual worlds in a realistic and practical way. 22/4 will create a strong and solid system and/or foundation (4) that will stand the test of time though consistent effort, reliable action and wisdom to serve humanity for the greater good of all.

September = 9

September brings the beautiful energy of Number 9 that represents oneness, compassion and forgiveness. It’s all about improving the wellbeing of the community and humanity as a whole. 9 encourages the process of transformation and evolution through higher wisdom, understanding, forgiveness and releasing the past.

Combined

When 22 and 9 are added together it totals another 4 ($22+9=31$ then $3+1=4$). Therefore, this amplifies the ability to create a strong and solid system and/or foundation (4) that will stand the test of time though consistent effort, reliable action and wisdom to serve humanity for the greater good of all.

100 Years of Spiritualism

22 September 1924 = 11/2

$22 + 9 \text{ (Sept)} + 7 \text{ (1+9+2+4=16 ... 1+6=7)} = 38 \text{ ... } 3+8=11/2$

The date that the Spiritualist Church of New Zealand Act was passed on 22/9/1924 adds up to Master Number 11/2 which is the number of “Spiritual Enlightenment” and reaching higher levels of consciousness. 11/2 is a very high vibration number that represents illumination and the ability to uplift, empower and inspire humanity through sacred teachings and wisdom – so it’s no surprise they chose this particular date to pass the act.

Healing Moment at 12:22 on 22 September

You may wonder what the significance of 12:22 is? Well, as Angel Numbers and all the different systems of Numerology agree, 1 is the energy of the SELF and 2 is the energy of the SACRED DIVINE FEMININE. For example, think of the Number 2 “High Priestess” card in the Major Arcana of Tarot. 2 represents “Intuition” and our Divine inner guidance. It’s also about finding balance within the duality and polarity of life whilst expressing the feminine Yin energy of patience, kindness, understanding and co-operation. 2 teaches us to slow down, to go within and to “trust and surrender” to the Divine Order and Timing in life. It is the number of peace, harmony and healing. Therefore 12:22 is encouraging each of us to adopt and amplify these Number 2 qualities and tendencies within ourselves (1 = The Self) and to share them with the world for the greater good of all. 12:22 is also a reminder that you are not alone. You are connected to the Divine and are spiritually guided at all times. And so it is.
